We want to reward your great work by holding a prize draw for sales partners. All you need to do to enter is register your deals on the Panasonic Partner Portal by 11th December 2020.

The higher your total deal value at the end of the competition, the more prize entries (and chances to win) you'll have earned. Registering deals on certain devices will double your odds of winning – we'll be in touch to tell you more about that.

On top of that, we'll also be giving away a pair of Panasonic True Wireless Bluetooth Earphones every week. The winner will be selected at random from everyone who's registered at least one deal that week – so you'll have to be in it to win it.
